

IN HIS PRESENCE

30 Guided Prayer Journal Pages

A structured ACTS-based prayer template (Adoration, Confession, Thanksgiving, Supplication) to
deepen your prayer life.

How to Use This Journal

Each page follows the ACTS prayer model: Adoration (praising God for who He is), Confession (being honest about sin or struggle), Thanksgiving (naming specific blessings), and Supplication (bringing your requests to God). Use one page per day, or return to the same page across a week to track how God moves.
