

DIG DEEPER

Bible Study Notes Pack

Structured study templates and book overviews for 8 key books of the Bible -- perfect for personal or small group study.

The SOAP Study Method

Use this simple framework for each passage you study: Scripture (write out the verse), Observation (what does the text say?), Application (how does this apply to my life?), Prayer (respond to God in prayer). This method turns Bible reading into active reflection rather than passive skimming.

Genesis

The book of beginnings -- creation, the fall, covenant promises to Abraham, and God's providence through Joseph.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

Psalms

A collection of 150 songs and prayers expressing worship, lament, and trust across the full range of human emotion.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

Proverbs

Practical wisdom literature attributed largely to Solomon, covering wisdom for daily living, speech, and relationships.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

Matthew

The first Gospel, written to a Jewish audience, presenting Jesus as the promised Messiah and King.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

John

A Gospel focused on the deity of Christ and belief, built around seven 'I am' statements and seven miraculous signs.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

Romans

Paul's theological masterpiece explaining salvation by faith, grace, and the righteousness of God.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

Philippians

A letter of joy written from prison, encouraging contentment and unity in Christ.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:

James

A practical letter emphasizing that genuine faith produces visible good works.

S - Scripture (write the verse):

O - Observation:

A - Application:

P - Prayer:
