

VISION ROOTED IN FAITH

Christian Vision Board Kit

Printable scripture-based word cards, a guided reflection worksheet, and instructions for building a faith-centered vision board.

Instructions

A vision board rooted in faith isn't about manifesting through willpower -- it's about surrendering your dreams to God and visualizing His promises over your life. Print the word cards on the following pages, cut them out, and arrange them on a board alongside images that represent your prayed-over goals for the year. Add the completed reflection worksheet somewhere visible as a reminder of your 'why.'

Vision Reflection Worksheet

What is God's promise over this season of my life?

What area of my life needs surrendered vision instead of forced planning?

What one word captures my prayer for this year?
