

PREPARE IN PRAYER

Christian Wedding Planning Devotional

Premarital Focus

Five short devotions for engaged couples to work through together during the wedding-planning season, when it's easy to get lost in logistics and forget you're preparing for a marriage, not just a wedding day. Read each passage aloud together, then talk honestly through the questions.

1. Prayer as a Habit

1 Thessalonians 5:17

"Pray without ceasing."

Talk About It

- ☐ What does prayer look like in your relationship right now?
- ☐ What's one rhythm of praying together you want to build before the wedding?

2. Becoming One

Genesis 2:24

"Therefore a man shall leave his father and his mother and hold fast to his wife, and they shall become one flesh."

Talk About It

- ☐ What does 'leaving and cleaving' practically mean for your two families?
- ☐ Where do you still need to set clearer boundaries with extended family?

3. A Marriage of Service

Galatians 5:13

"Through love serve one another."

Talk About It

- ☐ What's one way your fiancé(e) has already served you sacrificially?
- ☐ What's a way you tend to expect service instead of offering it?

4. Money and Trust

Luke 16:10

"One who is faithful in a very little is also faithful in much."

Talk About It

- ☐ Have you had a full, honest conversation about debt, spending, and saving?
- ☐ What money habit from your family of origin do you want to keep, or leave behind?

5. A Covenant, Not a Contract

Ecclesiastes 4:12

"A cord of three strands is not quickly broken."

Talk About It

- ☐ What's the difference between a contract (if you do X, I'll do Y) and a covenant?
- ☐ What does it look like to keep God as the third strand in your marriage day to day?
