

SERVE WITH EXCELLENCE

Volunteer Coordinator Toolkit

How to Use This Toolkit

Four practical templates for coordinating a volunteer team well: a team roster, an attendance tracker, a rotation planner, and a communication log. Photocopy or reprint each page weekly or monthly as your team's rhythm requires.

"Each of you should use whatever gift you have received to serve others." -- 1 Peter 4:10

Team Roster

Keep every volunteer's contact info and role in one place.

Attendance Tracker

Track who showed up for which service date -- helpful for scheduling and for noticing who might need a check-in call.

Rotation Planner

Assign teams to upcoming service dates so no one is scheduled two weeks running by accident.

[illegible]

Communication Log

Note who you contacted, when, and why -- useful when several people are coordinating the same team.
