Homeschool Morning Time Pack

Daily Rhythm

A simple 20-30 minute morning-time routine to open your homeschool day together, before subjects split everyone into different rooms and different books. Same six pieces every day -- Bible reading, prayer, memory verse, a hymn, a short character lesson, and gratitude -- so it becomes a rhythm the kids know by heart.

Morning Time Routine Card

- ☐ Bible reading (5 min): read one short passage aloud, in order, a few verses a day.
- ☐ Prayer (2 min): one child leads -- praise, a request, and a thank-you.
- ☐ Memory verse (3 min): recite this week's verse together, adding a new line each day.
- ☐ Hymn or worship song (5 min): sing or listen to one song, same song all week.
- ☐ Character lesson (5 min): talk through one character trait using a short story or Bible example.
- ☐ Gratitude round (2 min): everyone names one thing they're thankful for that morning.
